Based in our Zurich office, Gina Domanig is the Managing Partner of Emerald Technology Ventures. In 2000, she founded Emerald as the first independent cleantech venture capital fund in Europe. Emerald is one of the largest dedicated cleantech funds and the first with a transatlantic strategy. Gina serves on the boards of Identec Solutions, Inge and Pelamis. Gina has over 20 years of international business experience including banking, M&A, strategic development, and venture capital. Prior to starting Emerald, she was senior vice president at Sulzer, a Swiss multinational, responsible for strategic planning and M&A. During her ten year tenure, she built up a team which completed 45 transactions including acquisitions, divestitures, IPOs and JVs in industrial technology sectors. Gina holds MBA degrees from Thunderbird in Arizona and ESADE in Barcelona and is fluent in English, German and Spanish.
